

**In the Presidential election of 1800 there were two political parties going head to head**

- Federalists
- Democratic-Republicans

**RADICAL – people who take extreme political positions**

**The Federalists were afraid radicals were getting ready to ruin the United States**

**Thomas Jefferson and Aaron Burr were tied with 73 electoral college votes**

**The House voted to break the tie and it stayed tied until the 36<sup>th</sup> vote in which Jefferson was elected President**

**"I think this is the most extraordinary collection of talent, of human knowledge, that has ever been gathered together at the White House, with the possible exception of when Thomas Jefferson dined alone."**

**Remarks at dinner honoring Nobel Prize winners of the Western Hemisphere - 4/29/62**

**Jefferson's many talents and interests included:**

**Jefferson wanted a calm America**

**Thought U.S. would be better off with a nation of farmers**

**Jefferson wanted to make government smaller – less taxes, less federal employees, less government programs**

**MARBURY v. MADISON (1803) – was a case that established the concept of “judicial review”**

**First time this was used**

**JUDICIAL REVIEW – means the Supreme Court has the final say in interpreting the Constitution**

**THE END**
